

Q & A for Enrichment Contractors Solicitation.

Question:

1. I wanted to know if I could do the Cairo Elementary Schools (both) in the 5 days?

Meaning: 3 days at the Eastside and 2 days at the Southside. If not, I could do them individually. Is it a requirement to spend the entire week at one school?

Answer:

There is no requirement to provide services at all sites every day. Provider schedules will be finalized after award and will be based on provider and student availability each day.
